Dear Honorable Hoffmann:

Pursuant to R.S. 49:968(D)(1)(b), the Louisiana State Board of Dentistry (the "Board") hereby announces its plan to finalize the September 20, 2019, Notices of Intent that were published on pages 1249-1253 of the *Louisiana Register*. A copy of the rules, as published, are attached for your review. Also attached is the approved Fiscal and Economic Impact Statements.

The Board is amending LAC 46:XXXIII.1503 to bring Louisiana in line with the guidelines of the American Dental Association for nitrous oxide education, as our neighboring states have done and revises the requirement to 14 hours of didactic instruction and 6 clinically oriented experiences.

The Board is amending LAC 46:XXXIII.1607 to not require continuing education for all licensee's first renewal cycle, regardless of when the license was first obtained, but will require the licensees to complete the three-hour opioid management course and to maintain their CPR training.

The Board is amending LAC 46:XXXIII.1615 to add the American Academy of Dental Hygiene (AADH) to the list of organizations that the Board will accept for licensee continuing education credit.

The Board did not receive any comments to these proposed rule changes or requests for a public hearing and no changes have been made to these proposed rules since initial publication in the September 20, 2019 edition of the Register. Therefore, subject to legislative oversight by either the House or Senate Health and Welfare Committees, the Board intends to submit these rules to the Office of the State Register for publication on December 20, 2019. Please contact the undersigned at (225) 219-7330, if the board can be of any assistance to you concerning these rules.

With kindest regards, I am

Yours truly
