Pursuant to R.S. 49:968(D)(1)(b), the Louisiana State Board of Dentistry (the "Board") hereby announces its plan to finalize the May 20, 2022, Notice of Intent that was published on pages 1325-1326 of the *Louisiana Register*. A copy of the rules, as published, are attached for your review. Also attached is the approved Fiscal and Economic Impact Statement.

The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.322 because the rule previously only allowed dentists to apply for a first-time advertising violation after three years, provided the dentist fulfilled the other requirements set forth in §322. The rule change will now allow dentists to apply for expungement of advertising violations after five years, provided the dentist has fulfilled the other requirements set forth in §322.

The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.1607 to set forth the guidelines that a holder of a retired volunteer dental who practices not more than two hundred fifty hours in a calendar year shall be exempt from all continuing education requirements except for the completion of a cardiopulmonary resuscitation course. The proposed rule change will also set forth that for any dentist who holds an anesthesia permit and seeks a retired volunteer dental license, the continuing education requirements set forth in §1611 (H) will be required.

The Board did not receive any comments to these proposed rule changes or requests for a public hearing and no changes have been made to these proposed rules since publication in the May 20, 2022 edition of the Register. Therefore, subject to legislative oversight by either the House or Senate Health and Welfare Committees, the Board intends to submit these rules to the Office of the State Register for publication on September 20, 2022. Please contact the undersigned at (225) 219-7330, if the board can be of any assistance to you concerning these rules.

With kindest regards, I am

Yours truly
