**Attachments:** 22.10.20 NOI in Register.pdf; 22.10.6 FEIS (final) 103, 306, 706 & 710.pdf

Pursuant to R.S. 49:968(D)(1)(b), the Louisiana State Board of Dentistry (the "Board") hereby announces its plan to finalize the October 20, 2022, Notice of Intent that was published on pages 2660-2662 of the *Louisiana Register*. A copy of the rules, as published, are attached for your review. Also attached is the approved Fiscal and Economic Impact Statement.

The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.103 to allow the waiving of this requirement if the applicant for a dental license meets with the board and is determined to be qualified by other means to practice dentistry in this state.

The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.306 to conform to the recently amended statute La. R.S. 37:761 (C) by the Louisiana legislature and will benefit applicants for dental and licensure by credentials as they will now be allowed to successfully complete an initial licensure examination in a United States jurisdiction that includes a hand skills assessment rather than a procedure on a live patient

The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.706 to conform to the recently amended statute La. R.S. 37:761 (C) by the Louisiana legislature and will benefit applicants for dental hygiene licensure by credentials as they will now be allowed to successfully complete an initial licensure examination in a United States jurisdiction that includes a hand skills assessment rather than a procedure on a live patient

The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.710 because not all states allow hygienists to perform local anesthesia; if a hygienist moves to one of those states, then wants to come back to Louisiana after two years or more, it is felt that additional training in local anesthesia is not necessary.

The Board did not receive any comments to these proposed rule changes or requests for a public hearing and no changes have been made to these proposed rules since publication in the October 20, 2022 edition of the Register. Therefore, subject to legislative oversight by either the House or Senate Health and Welfare Committees, the Board intends to submit these rules to the Office of the State Register for publication on January 20, 2023. Please contact the undersigned at (225) 219-7330, if the board can be of any assistance to you concerning these rules.
