Pursuant to R.S. 49:968(D)(1)(b), the Louisiana State Board of Dentistry (the "Board") hereby announces its plan to finalize the November 20, 2023, Notice of Intent that was published on pages 1963-1965 of the *Louisiana Register*. Please be advised that the initial submission for this was sent on 10/10/23 and was intended to be published in the Register on 10/20/23. However, this was not published as a Notice of Intent until 11/20/23. A copy of the rules, as published on 11/20/23, are attached for your review. Also attached is the approved Fiscal and Economic Impact Statement.

The Board is amending LAC 46:XXXIII.1611 to change the continuing education requirements for a sedation permit from 12 hours every 4 years to 6 hours every 2 years which will coincide with licensure renewal and no sedation continuing education will be required during the first renewal period after first receiving the anesthesia permit.

The Board is also amending LAC 46:XXXIII.1611 to change the continuing education requirements for having a pediatric sedation permit from 12 hours every 4 years to 6 hours every 2 years, which will coincide with licensure renewal.

The Board did not receive any comments to these proposed rule changes or requests for a public hearing and no changes have been made to these proposed rules since publication in the November 20, 2023 edition of the Register. Therefore, subject to legislative oversight by either the House or Senate Health and Welfare Committees, the Board intends to submit these rules to the Office of the State Register for publication on February 20, 2023. Please contact the undersigned at (225) 219-7330, if the board can be of any assistance to you concerning these rules.

With kindest regards, I am

Yours truly
