Pursuant to R.S. 49:968(D)(1)(b), the Louisiana State Board of Dentistry (the "Board") hereby announces its plan to finalize the September 20, 2025, Notice of Intent that was published on pages 1474-1475 of the *Louisiana Register*. A copy of the notice of intent, as published, is attached for your review. Also attached is the approved Fiscal and Economic Impact Statement.

The Louisiana State Board of Dentistry is updating licensure examination rules to align with current practice. LAC 46:XXXIII.1709, Examination of Dentists, is amended to clarify that the Board now only accepts the American Board of Dental Examiners (ADEX) exam for initial licensure by examination for dentists. LAC 46:XXXIII.1711, Examination of Dental Hygienists, is amended to specify that the Board now only accepts the ADEX exam for initial licensure by examination for dental hygienists. LAC 46:XXXIII.1713, Board Approved Regional or National Independent Third-Party Clinical Examinations, is repealed, as it is no longer necessary given that ADEX is the sole accepted examination moving forward.

The Board did not receive any comments to these proposed rule changes or requests for a public hearing, and no changes have been made to these proposed rules since publication in the September 20, 2025, edition of the Register. Therefore, subject to legislative oversight by either the House or Senate Health and Welfare Committees, the Board intends to submit these rules to the Office of the State Register for publication on December 20, 2025. Please contact the undersigned at (225) 219-7330, if the board can be of any assistance to you concerning these rules.

With kindest regards, I am

Yours truly
