***CRIMINAL HISTORY INFORMATION***
Pursuant to Act 486 of the 2022 Regular Session of the Louisiana Legislature, anyone with a criminal record who is interested in pursuing an education to become a licensed dentist or dental hygienist in Louisiana has the right to petition the Board prior to beginning the education program for a determination pursuant to R.S. 37:33 on whether their criminal history would disqualify them from licensure. Criminal convictions may be used as a basis for denial of licensure. All of the factors listed in R.S. 37:2950 will be considered in determining whether licensure will be denied.

GENERAL INFORMATION
- Read all information and instructions prior to completing and submitting your application.
- The board is unable to “rush” applications. The standard processing time is approximately 30 days after receipt of your completed application. This includes all attachments and documents sent on your behalf by a third party.
- You should not make commitments on loans, practice start dates, home purchases, etc., until a license has been granted and you have it in your possession.
- The board will not verify receipt of third party documents prior to receipt of a completed application.
- Applicants should manage their own applications. The board will not communicate with any third party regarding the status of an application.
It is at the sole discretion of this board to grant licensure, and the filing of this application, along with the $400 fee, in no way guarantees approval of licensure.

**ACCEPTABLE CLINICAL LICENSURE EXAMINATION**

The **only** acceptable clinical licensure examination is the ADEX examination (regardless of testing agency). You must have completed **all** portions of the ADEX examination (DSE, endodontics, prosthodontics, restorative, and periodontics).

Your application, fee, and **all attachments** must be received in the board office within **3 years of your successful completion** of the ADEX examination.

The board staff will query your ADEX results upon receipt of your application. There is no need to request a certification of your ADEX results be sent to the board office.

*If you completed dental school more than 6 months before the date your application and all attachments are received in the board office*, you must have each of the regional testing agencies (CITA, CRDTS, CDCA [formerly NERB], SRTA, and WREB) provide a certification of your complete examination history with that agency regardless of whether you have attempted an examination with that agency. If you have not attempted an examination with an agency, the certification should contain your name and identifying information along with a statement indicating that you have never attempted an examination administered by that agency.

*If you did not complete the ADEX examination within 3 years of the date the board receives your license application and all attachments, then you do not qualify for a Louisiana dental license by examination. You may, however, qualify for a license by credentials. Please contact the board office for additional information.*

**PROOF OF U.S. CITIZENSHIP OR PERMANENT RESIDENCY STATUS OR LEGAL AUTHORITY TO LIVE AND WORK IN THE U.S.**

You must show documentation that you have current, valid authority to live and work in the United States. All documentation must be an original or certified true copy and mailed to the board office. **Documents you send to the Louisiana State Board of Dentistry will not be returned to you.**

**U.S. citizens** must submit an original or certified true copy of your
- U.S. birth certificate (available from the vital statistics office in the U.S. state in which you were born), or
- U.S. naturalization certificate.

**U.S. permanent residents** must submit an original or certified true copy of your current U.S. permanent resident card.

*If you are NOT a U.S. citizen or permanent resident*, please call the board office directly to determine what documentation you should submit.

**FEES**

The **non-refundable** application fee is $400. There is an additional **mandatory** $50 fee to fund the Dental Health Care Practitioner Well-Being Program. The board accepts only checks or money orders. Checks and money orders must be made payable to the Louisiana State Board of Dentistry.

**FINGERPRINT BACKGROUND CHECK**

All applicants for a Louisiana dental license must submit to a fingerprint background check. You must contact the board office directly to request a set of forms and 2 fingerprint cards be mailed to you. Once you receive the cards and forms from the board office, you have two options for submitting your fingerprints for the background check:

1. You may take the cards and forms to a local law enforcement agency to have your fingerprints taken. You will then mail all forms and both fingerprint cards directly to the board office. The board will then in turn submit your fingerprints to the Louisiana State Police for review. The **$400 application fee includes the board’s costs for the background check; therefore, the board will not submit your prints to the LSP unless and until your application and
fee have been received. The LSP will contact the board directly with the results of your background check. It may take up to 16 weeks for a response from the LSP.

2. You may take your fingerprint cards and forms directly to the Louisiana State Police headquarters located at 7919 Independence Boulevard, Baton Rouge, Louisiana 70806. You will pay the LSP a separate fee for this service. The LSP then sends the results of the check directly to the board office. It generally takes 2 to 3 weeks for a response from the LSP.

**OPIOID MANAGEMENT COURSE**

Effective January 1, 2019, all applicants must complete 3 hours of opioid management to receive their Louisiana dental license. This is required by the Louisiana Legislature to renew your license in the future. This is a one time requirement and you may use it to satisfy your opioid management CE requirement for your first license renewal. The board maintains a list of approved opioid management CE courses on the CE page of its website at http://www.lsbd.org/conted.htm. The first course listed is offered through Dentalcare.com and will satisfy the requirement entirely. *There is no cost for the Dentalcare.com online course listed.*

**JURISPRUDENCE EXAMINATION**

All applicants for a dental license must complete the jurisprudence examination. The test consists of 100 true/false and multiple choice questions. You must answer 75 correctly to pass the exam. The information you will be tested on may be found in the Louisiana Dental Practice Act. You may download and print a copy of the DPA from the board’s website at www.lsbd.org.

Please contact the board office to schedule the jurisprudence exam. **You may not schedule your jurisprudence test unless and until your application and fees have been received in the board office.**

Jurisprudence test scores are valid for one year. If your license is to be issued more than one year after you completed the jurisprudence exam, you must retake it.

**APPLICATION TIMELINE**

The board office will notify you of any deficiencies in your application. Repeatedly calling the board hinders the processing of your application.

The processing of licensure applications will take a minimum of 30 days after the board’s receipt of your **completed** application. Plan your application time accordingly. Rush requests are not possible.

**RELOCATION**

If your address changes after you submit your application and before you receive your license, you **must** notify the board of your new address. This notification must be in writing and either emailed, faxed, or mailed to the board office. The board is not responsible for licenses sent to an incorrect address due to an applicant’s failure to update his or her address with the board.
