CRIMINAL HISTORY INFORMATION

Pursuant to Act 486 of the 2022 Regular Session of the Louisiana Legislature, anyone with a criminal record who is interested in pursuing an education to become a licensed dentist or dental hygienist in Louisiana has the right to petition the Board prior to beginning the education program for a determination pursuant to R.S. 37:33 on whether their criminal history would disqualify them from licensure. Criminal convictions may be used as a basis for denial of licensure. All of the factors listed in R.S. 37:2950 will be considered in determining whether licensure will be denied.

GENERAL INFORMATION

- Read all information and instructions prior to completing and submitting your application.
- The board is unable to "rush" applications. The standard processing time is approximately 30 days after receipt of your completed application. This includes all attachments and documents sent on your behalf by a third party.
- You should not make commitments on loans, practice start dates, home purchases, etc., until a license has been granted and you have it in your possession.
- The board will not verify receipt of third party documents prior to receipt of a completed application.
- Applicants should manage their own applications. The board will not communicate with any third party regarding the status of an application.

It is at the sole discretion of this board to grant licensure, and the filing of this application, along with the \$830 fee, in no way guarantees approval of licensure.

PROOF OF U.S. CITIZENSHIP OR PERMANENT RESIDENCY STATUS OR LEGAL AUTHORITY TO LIVE AND WORK IN THE U.S.

You must show documentation that you have current, valid authority to live and work in the United States. All documentation must be an original or certified true copy and mailed to the board office. **Documents you send to the Louisiana State Board of Dentistry will not be returned to you.**

U.S. citizens must submit an original or certified true copy of your

- U.S. birth certificate (available from the vital statistics office in the U.S. state in which you were born), or
- U.S. naturalization certificate.

U.S. permanent residents must submit an original or certified true copy of your current U.S. permanent resident card.

If you are NOT a U.S. citizen or permanent resident, please call the board office directly to determine what documentation you should submit.

FINGERPRINT BACKGROUND CHECK

You may schedule your fingerprint background check online through IdentoGO **AFTER** the board has received your application and fee. Do **not** have your prints taken before your completed application and fee are received in the board office.

If the board receives the results of your criminal background check before receiving your application and fee, the results will NOT be accepted. You will be required to schedule a second fingerprint background check at a service center. There will be an additional cost.

You will be able to check the status of your background check through the service center after you have been printed. Please do not call the board office to see if we have your results.

For additional information, see the fingerprint background check information and instructions later in this packet.

CLINICAL LICENSURE EXAMINATION

All applicants for a dental hygiene license must have completed a clinical licensure examination at some point. This examination must have included a hand skills assessment.

If you completed ADEX, the board will be able to retrieve your scores directly from ADEX. If you completed an examination other than ADEX, you must have that examining agency send proof of your successful completion of its examination.

You must have each of the regional testing agencies (CDCA-WREB-CITA, SRTA, and CRDTS) provide a certification of your complete examination history with that agency regardless of whether you have attempted an examination with that agency. If you have not attempted an examination with an agency, the certification should contain your name and identifying information along with a statement indicating that you have never attempted an examination administered by that agency. Please note that CDCA, WREB, and CITA have now all merged into one entity.

FEE

The **non-refundable** application fee is \$830. The board accepts only checks or money orders made payable to the Louisiana State Board of Dentistry.

JURISPRUDENCE EXAMINATION

All applicants for a dental hygiene license must complete the jurisprudence examination. The test consists of 100 true/false and multiple choice questions. You must answer 75 correctly to pass the exam. The information you will be tested on may be found in the Louisiana Dental Practice Act. You may download and print a copy of the DPA from the Board's website at www.lsbd.org.

Please contact the Board office to schedule the jurisprudence exam. You may not schedule your jurisprudence test unless and until your application and fees have been received in the board office.

Jurisprudence test scores are valid for one year. If your license is to be issued more than one year after you completed the jurisprudence exam, you must retake it.

APPLICATION TIMELINE

The board office will notify you of any deficiencies in your application. Repeatedly calling the board hinders the processing of your application.

The processing of licensure applications will take a minimum of 30 days after the board's receipt of your **completed** application. This includes ALL fees, application, background check results, documentation, and jurisprudence test. Plan your application time accordingly. Plan your application time accordingly. Rush requests are not possible.

This notification must be in writing and either emailed, faxed, or mailed to the board office. The board is not responsible for licenses sent to an incorrect address due to an applicant's failure to update his or her address with the board.
